

Release Notes

TO: TransAM Users

DATE: March 3, 2025

TOPIC: TransAM Version 2.52.0

The following memorandum describes the new features and fixes that have been released to the TransAM platform. This release consists of bug fixes.

Bug Fixes:

- Corrected System Rollover process to use the Current Fiscal Year to set the new Fiscal Year
- Modified keyboard accessibility for the Audit, Organizations, and User tables including Manage Columns and Export fly-outs.
- Fixed sorting for certain tables that use client-side sorting.

Oversight Review:

- Corrected file names to no longer get cut off when downloading a document in the Document Library that contains “#” within the filename.
