# Release Notes

TO: Asset Inventory Users

DATE:   September 19, 2024

TOPIC: Asset Inventory Version 2.0.0

The following memorandum describes the new features and fixes that have been released to the Asset Inventory platform. This release consists of the following:

## Release Includes:

- Reordered Asset Classes within the Inventory dropdown

- Added a limit to rows displayed with pagination in inventory page

- Clarified the Event search message shown on the page and within the search field

- Limited the Event search to only look for matches in the following fields: Asset Id, VIN, External Id, Description, and Facility Name
